

To Believe in One True God

The most important topic mentioned throughout the Quran is the belief in the One, True God. God informs us that He has no partner, no son, no equal, and that none has the right to be worshipped except Him alone. Nothing is comparable to God and none of His creation resembles Him. The Quran also rejects the notion of attributing human qualities and limitations to God.

“Your God is ‘only’ One God. There is no god ‘worthy of worship’ except Him—the Most Compassionate, Most Merciful.

QURAN 2:163

To Reject All False Gods

Since Allah alone is the only One worthy of worship, false deities and false gods must be rejected. The Qur’an also rejects the notion of attributing divine qualities to anyone or anything other than Allah.

“Worship Allah ‘alone’ and associate none with Him.

QURAN 4:36

To Narrate the Stories from the Past

The Quran contains many narratives with beneficial lessons, including the true stories of previous Prophets such as, Adam, Noah, Abraham, Jesus and Moses [peace be upon them all].

“In their stories there is truly a lesson for people of reason.

QURAN 12:111

To Remind us of the Day of Judgement

This Noble Book reminds us that everyone will taste death and will be held accountable for all their actions and sayings:

“We will set up the scales of justice on the Day of Judgment, so no soul will be wronged in the least.

To Fulfil the Intended Way of Life

Importantly, the Quran teaches that the purpose of life is to worship God alone, and live one’s life according to the way of life prescribed by Him. In Islam, worship is a comprehensive term that includes all actions and sayings (whether private or public) that Allah loves and is pleased with. Therefore, by doing what Allah commands, a Muslim is worshipping God and fulfilling his purpose in life.

“O believers! Bow down, prostrate yourselves, worship your Lord, and do ‘what is’ good so that you may be successful.

QURAN 22:77

“Allah has promised those who believe and do good ‘His’ forgiveness and a great reward.

QURAN 5:9

In conclusion, the Quran itself sums up the very reason why God Almighty chose to reveal it ...

“Surely We have revealed to you the Book ‘O Prophet’ with the truth for humanity. So whoever chooses to be guided, it is for their own good. And whoever chooses to stray, it is only to their own loss.

The Quran

THE QURAN IS: The Word of God

The Quran is the literal word of God, The Almighty ('Allah' in Arabic), revealed to Prophet Muhammad PBUH through the Angel Gabriel.

“ The revelation of this Book is from Allah—the Almighty, All-Wise.
QURAN 39:01

THE QURAN IS: Guidance for Mankind

The Quran provides direction to help mankind judge between right and wrong, without which, man would surely be in loss.

“ the Quran was revealed as a guide for humanity with clear proofs of guidance and the standard 'to distinguish between right and wrong'.
QURAN 2:185

THE QURAN IS: The Final Revelation

The Quran is the last scripture revealed by Almighty Allah (God), confirming what little truth remains in parts of previous scriptures and refuting and correcting fabrications and additions which have crept into current day versions of such scriptures.

“ O you who were given the Book! Believe in what We have revealed—confirming your own Scriptures
QURAN 4:47

How was the Quran Revealed?

The Quran was revealed to Muhammad (peace be upon him) and exists only in the language in which it was revealed - Arabic. However, the translation of the meaning of the Quran is available in many languages.

The Quran was not sent down as a complete book in one revelation; rather, the revelation spanned over a period of 23 years. For this reason, it is essential to know in what circumstances the verses were revealed, in order to have a proper understanding of the Quran; otherwise, its teachings could be misunderstood.

HOW DO I KNOW THAT THE QURAN IS FROM GOD?

Preservation

The Quran is the only religious sacred text that has been in circulation for a lengthy period, and yet remains as pure as the day it was revealed. Nothing has been added, removed or modified, since its revelation over 1400 years ago.

Not only has the Quran been preserved in written form, but also in the hearts of men, children and women. Today, millions of people have memorised the Qur'an from cover to cover.

“ It is certainly We Who have revealed the Reminder, and it is certainly We Who will preserve it.
QURAN 15:9

Scientific Miracles

The Quran does not contradict modern science but rather, supports it. One of the most remarkable aspects about the Quran is that it contains many verses which accurately describe natural phenomenon in various fields such as embryology, meteorology, astronomy, geology and oceanography. Scientists have found its descriptions incredibly accurate for a book dating back to the seventh century.

“ We will show them Our signs in the universe and within themselves until it becomes clear to them that this 'Quran' is the truth.
QURAN 41:53

Uniqueness

Ever since its revelation, no person has been able to produce a single chapter like that of the Quran in its beauty, eloquence, splendour, wisdom, prophecies and other perfect attributes.

The people who rejected Prophet Muhammad PBUH failed this challenge, even though they were extremely eloquent in the language of the Quran. This challenge remains unanswered to this very day.

“ And if you are in doubt about what We have revealed to Our servant, then produce a sūrah like it and call your helpers other than Allah, if what you say is true.
QURAN 2:23

No Contradictions

When people write, they are bound to make mistakes such as spelling and grammar, contradictory statements, incorrect facts, omission of information and other various errors.

The Quran has no contradictions whatsoever – be they in scientific explanations of the water cycle, embryology, geology and cosmology; historical facts and events; or prophecies.

“ Do they not then reflect on the Quran? Had it been from anyone other than Allah, they would have certainly found in it many inconsistencies.
QURAN 4:82
